Either Mrs. Eddy or the Bible
is a Liar

The Rev. Charles Reign Scoville, the Nebraska evangelist, who recently held a revival at the Broadway Christian Church, Lexington, made a sensational attack on Mrs. Mary Baker Eddy, the Christian scientist. He said:

"Mrs. Eddy, an old woman from Boston, has established a Church known as the Christian Science denomination.

"There are more than twenty-five things taught by her not found in the Bible.

"She is a liar, or the Bible is, one or the other.

"Her followers think they are her students. They should be called her dupes."

THE matter of raising and removing the wreck of the battleship Maine in the harbor of Havana is again up before Congress. There are many bodies of American sailors still in the hulk of the ship, and they should be given Christian burial.

THE Kentucky Legislature is the doggondest body to pass class laws we ever heard of. Its latest stunt is to amend the present dog law so as to have one "free dog" in every home and to place a 50-cent tax on all other dogs in every household. Think of the social inequality that would exist in every canine family in the State. We have heard of caste in the human family, but it remained for our own Legislature to declare that one dog was better than another dog, and that there should be one free dog in every family. The world do move in old Kentucky.

THE LEGISLATURE

Crimp Put in McChord Tobacco Bill—Fight Renewed on the American Book Company

FRANKFORT, KY., March 14th.—The House this morning refused to accept the Burnam substitute for the McChord Tobacco Bill and the Senate refused to recede from its position. Conference Committees were appointed, the House members being three men who are pronouncedly in favor of the McChord Bill and the Senate members being ardent advocates of the Burnam amendment.

For the first time since William Goebel took up the fight against the American Book Company, which even he was unable to worst, the Kentucky Legislature today gave that great interest a blow from which it will not soon recover in this State.

The bill provides for a commission to take bids for all classes of books used in the schools and takes off the maximum price fixed by the old law, making the competition extend to the quality of books as well as price, and providing that the school children of Kentucky shall not be required to pay more for their books than the school children of any other State do for similar books.

The passage of this bill is the result of a bitter fight which has been waged in the State between the American Book Company and Gian & Company. The latter Company desired to have the right to bid for supplying the school books in the State, but, it is claimed, found that it could not do so under the old law.

The session ends tomorrow.

TORCHES

Of Night Riders Destroy Five Tobacco Barns in Woodford County.

Masked Men Terrorize Bluegrass District in Shadow of State Capital

Desperadoes Invade Mason County and Burn 'Squire McLean's Crop

VERSAILLES, KY., March 14th.—Night riders and barn-burners held high carnival in Woodford county last night and as a result five barns were destroyed by the flames. All of the barns were owned by persons who had refused to sign the agreement not to raise any tobacco in 1908.

The victims were: George Graddy, Captain Jim Williams, Tucker Farm—Hardin Rogers, tenant.

Harris Estate—George Strange, tenant.

Mrs. Elizabeth Pepper.

The party of incendiaries was composed of about twenty-five to fifty men, some of whom were on horseback and others in buggies. County Judge James Wilhoit has issued circulars this morning offering a reward of \$200 for the capture of any of the night riders, and a meeting of the Law and Order League has been called for this afternoon at Versailles when action will be taken in an effort to stamp out the outlawry before it has gained a hold in the county.

George Graddy, one of the victims, at once went to Frankfort and had an interview with Governor Willson. Graddy said:

"The Sheriff and other officers have gone to work and I think they will capture them, for a reward of \$1,200 will be offered for them. I am the Secretary of the Law and Order League of Woodford county. None of the men whose property was destroyed is in the pool.

"We are going to raise tobacco and you can depend on it."

GOVERNOR OFFERS REWARD.

Gov. Willson authorized a reward of \$500 from the State, which, added to the Fire Marshal's \$300 reward, Woodford county's \$200 and the Society of Equity and the Law and Order League's \$500, makes a prize of \$1,500 to be paid for the capture and conviction of any member of last night's mob.

RIDERS INVADE MASON COUNTY.

Night riders from Bracken and Robertson counties made a raid in this county Saturday morning and burned 5,000 pounds of tobacco belonging to Milton McLean, a farmer of the Germantown neighborhood.

There were about twenty-five in the party and they called at the house and John McLean, a son, opened the door. The riders grabbed him and made him show them where the barn was that contained the tobacco.

They took the tobacco out of the barn on the sticks and dumped it in a heap and burned it.

Mr. McLean intended delivering it to the American Tobacco Company here Saturday, as Thomas Gray, the buyer, had bought the crop Friday afternoon.

Night riders paid two visits to the farm of John Coffman, an alleged grower of non-association tobacco in Fulton county and riddled the house of a Negro tenant with bullets. The family escaped twice by hiding in the woods.

Towboat Boaz Strikes Bridge Pier and Loses 125,000 Bushels of Coal

The big towboat Boaz, owned by the Monongahela River Consolidated Coal and Coke Company, while en route to the South with a large tow of 12 big coal boats and 16 coal barges, containing about 450,000 bushels of Pittsburgh coal, was caught in the fog above Ashland, Ky., Saturday morning at 3 o'clock and made several attempts to land, but failed.

She was drifting in the fog when she struck the front of her tow against the pier of the Ashland and Ironston Bridge and lost seven barges of coal containing about 125,000 bushels. No lives were lost.

Paracamph has relieved many sufferers, and will cure without harming. It does not as many other remedies do, deaden the nerves; but stimulates them so they may perform their natural functions.

Paracamph is sold and recommended by

J. Ias. Wood & Son, Druggists.

At this time of the year, Cold In The Head and Nasal Catarrh are most prevalent. Many users of Paracamph are not aware that it will relieve and cure these ailments.

Don't dose your stomach with powerful drugs which always leave a bad after-effect and in a great many instances do serious harm, but try Paracamph. You will be agreeably surprised at the results.

Take a small quantity on the end of the finger, put it well into the nostril and stuff hard, so as to get the remedy up into the channels of the nose and until it runs back into the throat. Do this until the channels of the nose are opened; then rub the outside of the nose and forehead thoroughly applying Paracamph freely, as this will stimulate the circulation, remove congestion, open the pores and draw out the fever and inflammation by inducing sweating.

When Paracamph is used in this manner, it goes immediately to the diseased and inflamed membranes, cooling, soothing and healing the same. It also kills the disease germs.

The principle of Paracamph is direct contact. It opens the pores of the skin, one of the mediums through which the body throws off its impurities, permitting the soothing, healing oils to penetrate direct to the interior cells, and removing all soreness, fever and inflammation by inducing perspiration.

This treatment should be repeated several times and always upon arising in the morning and at night before retiring.

After a thorough trial, if you are not perfectly satisfied with the results, go to your druggist and he will give you your money back.

Paracamph has relieved many sufferers, and will cure without harming. It does not as many other remedies do, deaden the nerves; but stimulates them so they may perform their natural functions.

A spasmodic stir is noted in the building line in the East End. George N. Harding and James Burgle are each erecting pretty cottages on the South side of Forest avenue beyond Wood street; Sam King is following suit with another in Oklahoma, and Policeman John Bradford is increasing his income by adding two new cottages in East Third street, Sixth Ward, to his already goodly string of houses. John will soon be a bloated landlord if he keeps on adding to his possessions.

A RELIABLE SPRING MEDICINE Recommended to the People of Maysville

At this season of the year there is hardly a man, woman or child in Maysville who does not need a medicine to purify and enrich the blood, to induce an appetite, to promote digestion and create strength, and we are safe in saying we have never sold anything in our store equal to the cod liver preparation Vinol for this purpose.

The reason Vinol is so far superior to old-fashioned cod liver oil and emulsions is because it is made by a scientific, extractive and concentrating process from fresh cod's livers, combining with peptonate-of-iron all the medicinal, healing and body building elements of cod liver oil, but no oil.

As a spring medicine and a body builder and strength creator for old people, delicate children, weak, run-down persons, and after sickness Vinol is unexcelled, and you know what you are taking.

Mrs. Rose Lavigne of Burlington, Vt., writes: "Vinol is the best spring medicine I have ever used; it creates an appetite, purifies the blood and takes away all feeling of lassitude."

We could go on quoting from hundreds of such letters, but simply ask the people of Maysville to try Vinol this spring on our guarantee to return money if they are not benefited.

MAYSVILLE, KY.

Mr. J. P. Townsend of Columbus, O., is here attending the bedside of his son, F. V. Townsend, who is a patient at Hayeswood Hospital, and whose condition is reported somewhat improved this morning

HOW'S YOUR MILK?

Pure Food Man Looking Into Mason County Product

B. F. Schuerfuss, Inspector for the State Food Department of Kentucky Experiment Station at Lexington, was in the city Saturday for the purpose of testing the purity of the milk furnished by Mason county dairymen.

It will not be many days until he is heard from, and then will be established the kind and quality of milk that is being served in this locality, and the proportion of aqueous substance to a quart of milk.

His coming was not expected, and he evidently played a foxy trick by taking the boys unaware.

Among the number was John Chambers, the colored vendor. After buying and paying for two samples of John's mixture, he pulled out his book and began inditing notes therein which seemed to disturb the colored man's equanimity.

"See, here, fo' de Lord, boss, what dis mean? Is you Gov'ment 'specter? Tell de truf now?"

Failing to elicit a reply to his interrogations, John drove off and no doubt in his mind's eye saw visions of coming misfortune and disaster.

CONFIRMED PROOF.

Residents of Maysville Cannot Doubt What Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of Maysville who so testified years ago now say their cures were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Maysville kidney sufferers.

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says:

Doan's Kidney Pills have been used in our family with most beneficial results, and it gives me pleasure to corroborate the testimonial given in their favor some years ago by Mr. Wallingford. As stated then, he suffered a great deal from backache, failing to obtain relief from any of the remedies which he used. Hearing Doan's Kidney Pills highly spoken of, he obtained a box from J. Jas. Wood & Son's Drugstore, and had only taken them a short time when a complete cure was effected. The fact that he has remained free from any recurrence of the trouble is sufficient evidence of the sterling value of this remedy. I have also used Doan's Kidney Pills and have always afforded me the same relief as they did my husband."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

JOHN W. EARLY.

Mr. John W. Early, one of Mason county's highly respected citizens, died at his home in Helena Saturday morning at 11:30 o'clock, aged 65 years.

His wife died some five years ago. He leaves five sons and one daughter—Verner, Grear, Marvin, Eddie, Calvert and Miss Marie Early.

Two sisters also survive, Mrs. Kate Jesse, Lexington, Mo., and Mrs. Jesse H. Calvert of this city, with whom the youngest son, Calvert, has always lived.

Though a sufferer for several years with asthma, Mr. Early always bore his suffering with patience and Christian fortitude. He was a faithful and an honored member of the Lewisburg Baptist Church and was universally liked and esteemed for his kind, benevolent disposition and his sterling traits of character. He leaves a host of friends who mourn his departure.

The funeral will take place from the house this afternoon at 2 o'clock. Interment in Flemingsburg Cemetery.

ROLLIE C. CALVERT.

Mr. Rollie C. Calvert died at his home in

Portsmouth, O., Thursday morning at 7 o'clock of tuberculosis, aged 50 years.

He was a son of W. T. Calvert. His remains, accompanied by his widow, Mrs. Eva Calvert, arrived here Saturday and were conveyed to Wedonia and interred in the Hord burying-ground near that place.

MARY RICE

The sympathy of their wide circle of friends goes out to Mr. and Mrs. W. H. Rice in the death of their bright little seven-year-old daughter, Ma Y, which occurred Saturday night at 11 o'clock at the family home in Lewisburg, after an illness of two weeks with scarlet fever.

The funeral took place yesterday from the Lewisburg Baptist Church with services by Rev. Grubbs of Lexington, assisted by Rev. Thomas Wood of Tilton.

Interment in Lewisburg Cemetery.

SALLY

Byron Williams.

I sit with Sally by the grate
The fitful firelight fills the room.
And, flaring up from ashy bed,
Dispels the ever pressing gloom.
I sit with Sally and, by jing,
I yearn for her like everything!

I sit with Sally by the grate
And scourge affection's craven fear.
Alas! Each time I start to speak,
The firelight flames with sudden cheer—
My heart is brave when in the gloom,
But faints when firelight floods the room!

And thus we sit, a space between
Which I might bridge with one caress,

And just across the border line
Is Heaven, should she answer yes!
Once more I nerve myself—and then
That taunting firelight gleams again!

And still we sit while I can scent
The fragrance of her dainty frock—
How earnestly I long to kick
The tick-ticks from that speeding clock!
But now the firelight reddens deep—
The coals are snuggling down to sleep!

And as we sit beside the grate,
The shadows creep about our feet.
No more the flames dart up to 'fright
My lips from seeking hers so sweet—
And in the rosy glow she rests
Her head upon my joyous breast!
